

To all employees at Safeway.com working under the jurisdiction of Teamsters Local 174:

Strike Authorization Vote

Please attend this very important meeting. Your strike authorization gives the Bargaining Committee the ability to call a strike if necessary.

Are you concerned about having your *hours cut*?

Tired of seeing new employees hired off the street getting more hours than you?

A strike authorization vote is a critically important step in your fight for a Teamster contract.

At this meeting, you will hear a presentation from Local 174 leadership and your own elected Bargaining Committee. After this presentation, you will vote on whether to authorize a strike.

You must be present to vote.
